Dear Shipmate,

Spring 2023 Newsletter

Times have not changed much, people are wary of going out, Fuel is still way high in price. Sheila and I are in Florida right now and have had lunch with shipmates. Gary and Pat Coager met us for lunch the other day and we had our Gary hats on. Come time to pay up, it turns out someone had paid our bill. Very nice.

Shipmates that have passed: Alejandro Paras MS1: Randall Fitzgerald HMSN 72-74: John Lloyd ET3 6163: Dominic Genovese 67-68: Albert Kilpatrick.

If you have an email please send it to me as it will save the ship money.
